Details and Requests

I believe that most of you know how to get to McClellan park, but for those That are having a little difficulty in the memory department, it is fairly easy to find. Take Watt Avenue north from Hwy 80 or Business 80 to Palm Avenue (about 3mi.) You will see McClellan on the left side. Palm is the 2nd entrance to the park and there is a light. Turn Left and go about a ½ mile to Dudley, take a right and you are there!

We are only sending this invitation out electronically and will post it on the website. If You know of any classmates that only have snail (US) mail, please let us know. Pass the word to any alumni that you are in contact. The more, the merrier.

We are trying to set up a slide show of old photos from the Glory days. We ask that If you have any that you can share with us, please send them in no later than September 15th to Jennifer.

Electronically works best, however if you want to send the photo itself, We will return original to you. We want to limit 5 pictures per classmate.

Attention all former band members and guitar players!

Mr. Knurr would like to connect up with as many of You as possible. Please contact him at "manofmusic4u@yahoo.com").
